

CURRICULUM VITAE

Ali Murad

PROFILE

Experience - 3+ years

Meet Ali Murad, a self-taught MERN stack developer with 3+ years of JavaScript and web development expertise. Proficient in React.js, Node.js, Express.js, and even Three.js for 3D web magic, Ali collaborates closely with clients to craft efficient, scalable, and user-friendly solutions that tackle real-world challenges. From pixel to code, Ali weaves magic that doesn't just meet but exceeds real-world expectations. Are you ready to transform your ideas into digital realities? Ali Murad is the right choice for you.
